Granite Island Guided Nature Tours

  Granite Island, Victor Harbor

Join a guided tour to discover Granite Island – home of the Little Penguins. Granite Island is home to a small colony of rare, wild Little Penguins. Twilight tours are conducted for guests to the Island to spot the Little Penguins as they return from the ocean at sunset. Visiting the island at dusk is ONLY available on a guided tour to ensure protection of the wild penguin colony. There are also specially tailored tours for students in early primary through to senior years run seven days a week and can be adapted to support specific educational outcomes on request. Tours are subject to seasonal availability. During February/March the penguins go through a moulting period. Tours do not operate on Christmas Eve/Christmas Day, New Years Eve/New Years Day. Bookings are essential. Bookings for each night's tour

closes at 4pm.

Sofffoot Marsupial Sanctuary 2 hour Nocturnal Tour

594 Sawpit Rd, Hindmarsh Valley

Sofffoot Marsupial Sanctuary is a private sanctuary maintaining a "generic ark" for our highly endangered native Australian Marsupials. Tour participants have the rare opportunity to see and interact with Australian animals in our 50 acres of free range, feral animal proof native environments. Explore the 650 acres of farm, forest and wetlands on a chauffeured trip in one of our All Terrain Vehicles. Learn about how these animals roamed our country until the advent of modern farming practices and the invasion of destructive feral predators have brought them to the brink of extinction.
