Our small but perfectly formed range of premium wines are reasonably priced but more importantly—they taste great! The vineyard is hand pruned and our grapes picked by hand. Breezes from the ocean just a couple of kms away keep the vines cool in summer and allow a long slow ripening. We have two self-contained cottages on our beautiful 35 acre property. They have two bedrooms, lounge, full kitchen, bathroom and large covered deck with BBQ. It is quiet and peaceful but we are only 5 minutes from the country town of Yankalilla and the beaches at Normanville and Carrickalinga.
